

Office of International Programs

The Office of International Programs (OIP) promotes internationalization and diversity at AUB by developing and administering institutional partnerships that foster both incoming and outgoing student mobility. Through its Study Abroad Program, OIP promotes exchange opportunities and advises AUB students wishing to pursue international academic experiences that are academically challenging, professionally relevant and personally engaging. OIP also offers International Student Services to support all international students at AUB, enabling them to integrate into the community and enjoy a rich academic and cultural experience.

The Office of International Programs is located in West Hall, 3rd floor, Rooms 320, 322, 324.

International Student Services

The Office of International Programs provides support to all international students studying at AUB by providing the following services:

- Pre-arrival advice (following admission to AUB)
- On-site orientation, mentoring and intercultural activities
- Demystification of processes and procedures on campus
- Assistance in obtaining student visas and student residence permits
- Forums (both electronic and in-person) for interaction with other AUB student populations
- For international degree-seekers, advice on studying abroad as part of their AUB degree

Passports, Visas, and Residence Permits

International students joining AUB, who do not hold a Lebanese passport or Lebanese identity card must have their foreign passports valid for a period of no less than 13 months from the date of joining the University. All such students should also check with the nearest Lebanese Embassy or consulate in their country as to whether they require an entry visa in order to legally enter Lebanon or are eligible to obtain a one-month entry visa at the airport. OIP may assist students in securing their visas to Lebanon. Students who wish to benefit from OIP visa assistance must indicate this in their Confirmation Letters upon acceptance. Further information can be found on the OIP website.

Once registered at AUB, all students who do not hold Lebanese passports are required to obtain a residence permit before the expiration of the entry visa stamped in their passports. Students must apply for this permit within one month of arrival in Beirut, and ONLY after registering and paying AUB tuition fees. For this reason, the OIP strongly advises students not to enter Lebanon more than two weeks prior to the beginning of the semester in which they plan to first enroll.

The Office of International Programs, in coordination with the Office of the Registrar, helps provide the necessary certificates for registered non-Lebanese students to acquire residence permits from the Lebanese authorities. Information about obtaining a residence permit is distributed during International Student Welcome Week at the beginning of each semester or may be obtained in our offices located in West Hall, Room 322, as well as on the OIP website.
