### First-time Applicants to Financial Aid

#### Academic Year 2009–10

#### Instructions

This application should be completed by the **applicant** and his/her **parents** and submitted, along with photocopies of all **supporting documents**, by the appropriate deadline. Applicants who reside in Lebanon should submit the completed application in person. Please keep a copy of the application with the original documents for your records.

**Deadline for submitting a written application and photocopies of supporting documents is February 2, 2008.**

NEW FIRST TIME APPLICANTS to financial aid will be interviewed by staff members from the Office of Financial Aid together with one of their parents. The interview is required to help the Financial Aid Committee in assessing the student's need. **The parent should bring to the interview the originals of the documents submitted with the application.** Newly admitted students who live outside Lebanon will be asked to send certified copies of supporting documents and may be asked to come for the interview after registering.

#### Important Reminders

- Financial aid applications are valid for one academic year only. A new application is required for each new academic year.
