FACULTY OF HEALTH SCIENCES
MINOR PROGRAM IN PUBLIC HEALTH

Now you have an opportunity
1. look at health and disease differently; and
2. gain a better understanding about underlying causes of health, illness and disease prevention.

By joining the Minor in Public Health

Public Health is the science and art of preventing disease, prolonging life, and promoting physical health and efficiency through organized individual and collective community efforts*

Students wishing to obtain a Minor in Public Health must complete a total of 15 credits of Health Sciences courses as follows:
