Anemia Rounds for GPS
Organized by the Continuing Medical Education Office
Supported by an educational grant from Pharmamed

**Objective:**
The objective of the program is to update GPs on how to better diagnose anemia and to assist them discover its unrevealed causes. The program aims at increasing the knowledge of anemia assessment in daily practice and targets specific unrevealed causes of anemia. This is to be done in a 3-hour session. The sessions will be **problem based** interactive through using a voting system.

**Date and Location:**
The program is one session of 3 hours. There will be 7 sessions to be held in 7 regions in Lebanon with a maximum number of 30-40 GPs each. Sessions will be held in the following regions: 2 in Beirut, 1 in Tripoli, 1 in Bekaa, 1 in Sour, 1 in Kesserwan and 1 in Mount Lebanon.

The fourth session is scheduled as follows in Kesserwan region:
**August 16, 2013 at Byblos Sur Mer Hotel, Jbeil from 6pm till 9pm followed by dinner**
