Non-AUB Resident Applying to a Fellowship Program
For Academic Year 2017-2018

1. Qualifying Examinations

Applicants from medical schools (outside the United States and Canada) and who have obtained their medical degree from an approved medical school listed in the International Medical Education Directory (IMED) other than AUB are required to sit for an English proficiency examination that includes either TOEFL (minimum score of 573, 230, or 88 on PBT, CBT, or IBT respectively) or IELTS (minimum score of 7.0).

Examination Requirement:

All non-AUB residents interested only in applying to the fellowship programs at the GME Office Faculty of Medicine and Medical Center at the American University of Beirut are required to sit for a General Departmental Exam offered by GME that reflects their residency knowledge.

The application and admission examination fee for non-AUB resident applicants to the GME fellowship programs is $150.00. Upon submission of a complete application at the GME office, non-AUB residents will automatically be registered for the Fellowship Admission Examination that will be administered at AUB on February 06, 2016.
