- Ophthalmology in Medical Retina
- Neurology in Epilepsy & Clinical Neurophysiology, Clinical Neurophysiology: Neuromuscular Disorders, and in Multiple Sclerosis

Applications are accepted at the Sixth Postgraduate Year Level (PGY VI) at the Departments of:

- Diagnostic Radiology in Abdominal Imaging
- Surgery in Trauma Surgery & Surgical Critical Care
- Surgery in Vascular Surgery

2. Requirements for Admissions

Residents applying to any of the above programs are required to submit:

- An online application form available from November 01, 2016 to November 30, 2016
- Certification of Identification Form, which will be emailed to the applicant after submission of the online application
- One recent, passport size, colored photograph of the applicant
- A Personal Statement describing your interest in the sub-specialty and career plans
- A Curriculum Vitae (CV) prepared within three months of the application
- Report on with the program director’s comments in which the resident is currently enrolled in.
- Additional documents may be retrieved from your file at the GME and attached to your application like score of your Dean’s Exam or IFOM CSE, Medical School transcript of records and medical diploma. Some departments might ask your Summary of Resident Evaluations Reports, three letters of recommendation and/or your consent to get your in-service examination scores.

3. Acceptance

Applicants with competitive scores may be invited for an interview in one or more of the departments of their choice. Acceptance to any of the fellowship programs is highly competitive. The total number of applicants accepted is determined by the availability of positions.
