Dear all,

We are writing to invite you to participate to the second “Clinical Research Open House”. As last year, the office of Clinical and Translational Research at the Faculty of Medicine is organizing its second “Clinical Research Open House" that will take place on **June 5th between 3-6 pm at the HSON- Hisham Jaroudi Auditorium and backyard.**

The purpose of the Open House is:

1. To highlight the projects of the second year "graduates" of the FRRP
2. To provide students and residents with an overview of potential clinical research opportunities
3. To foster collaborations among investigators
4. To highlight resources available to investigators
5. To celebrate Clinical Research achievements

The program will include:

- Presentations of selected Research Projects submitted by the graduating Medicine residents as part of the FRRP (Hisham Jaroudi Auditorium)
- Poster presentations of ongoing clinical research (any research that has IRB Approval is eligible)---the posters are not intended to show results of clinical research but rather to showcase what is going on in the research scene
- Stations highlighting research resources: FRRP, IRB, CRI, OGC, etc.
- Reception

Please follow the link [Outlined Template](#) for a Research and/or Program body/entity poster, for you to use.

Deadline to submit the content of your posters is **April 10, 2015.**

Kindly send your documents as per attached outline to [vn01@aub.edu.lb](mailto:vn01@aub.edu.lb)

Please be informed that we will be responsible for putting the provided content into the poster template (that is being developed by the office of Strategic Planning and Communications).

We are asking for your collaboration and support to encourage your faculty, students, and residents to participate in this event.

Regards,

**Vicky Nassar**
