The Salim El-Hoss Bioethics and Professionalism Program at the American University of Beirut, Faculty of Medicine and Medical Center, announces its 4th workshop:

Assessing Professionalism at AUBFM: The time is ripe.

September 19, 2015
American University of Beirut
Beirut, Lebanon
GENERAL INFORMATION

Program Overview
This activity is the 4th workshop held by the Salim El-Hoss Bioethics and Professionalism Program at AUBFM. The aim of this workshop is to facilitate a better understanding of teaching and assessing professionalism in the undergraduate medical curriculum, although the general principles are applicable to the postgraduate area. As part of the workshop, we will develop an understanding of the issues of professionalism in medical students. Building on this, we will look at the elements of professionalism that are desirable and how to develop a programme of assessment to ensure graduating doctors are aware of and committed to these values in their working lives. Finally, we will also look at the possibility of remediation of poor professional behaviour.

Objectives
As a result of attending this conference, the participant will be able to do the following:

✓ Understand the importance of assessing professionalism
✓ Have developed a definition of professionalism for their own context
✓ Have developed ideas for a programme of assessment for professionalism
✓ Have critiqued a number of tools for assessing professionalism
✓ Have developed ideas on remediation of poor professionalism

Target Audience
This meeting has been designed for physicians, residents, and faculty members involved in the assessment of professionalism in AUBFM/AUBMC.

Venue
The Assessment of Professionalism conference will be held at the Auditorium B1, College Hall, American University of Beirut, Beirut, Lebanon.

Lebanese Order of Physicians Statement
The Assessment of Professionalism conference complies with the Lebanese Order of Physicians Continuing Medical Education guidelines.

Registration
The registration fee for this workshop is $150.

Keynote Speaker: Professor Trudie E. Roberts

Professor Roberts graduated from Manchester with a degree in Medicine and a BSc in Anatomy. She undertook her early medical training in Manchester and her research in Manchester and the Karolinska Institute in Sweden. In 1995 she was appointed Senior Lecturer in Transplant Immunology at the University of Manchester. In 2000 she was appointed Professor of Medical Education at the University of Leeds. She was awarded a National Teaching Fellowship in 2006. In 2009 she was appointed Director of the Leeds Institute of Medical Education. She was a council member of the General Medical Council from 2009 until 2012 and Chair of the Association for the Study of Medical Education until July 2013. She is a council member and Censor for the Royal College of Physicians of London. In September 2013 she took over as President of the Association for Medical Education in Europe. Professor Roberts's main interests and expertise are in the areas of assessment of competence, professionalism, and transitions in training and education. She is married to a surgeon, has two children and dreams of owning a Subaru WRX.
