The Faculty of Health Sciences (FHS) at the American University of Beirut (AUB) is offering the Executive Master in Health Care Leadership (EMHCL), a flexible and innovative program tailored to the needs of the health care professionals in the MENA region, with the aim of advancing public health knowledge and practice. The EMHCL courses fall under three main competency areas: Foundations of Public Health Practice, Advanced Managerial Functioning, and Health Systems Policy and Reform. The Program covers a wide range of topics including: Communicating with Policy Makers, Evidence Based Management, Marketing in Healthcare, Organizational Reform, Performance Improvement and Innovation, Strategic Planning and Decision-Making, among others.

**Program Structure and Credit Requirements**
The EMHCL Program is a 45-credit master Program that offers 21 block courses spread over 18-24 months. Monthly attendance is required for a 5-day intensive session, from Tuesday to Saturday, without impeding on your working life.

**Who Would Apply**
- Mid-level managers and senior executives working or interested in the health care sector
- Professionals committed to leading their institutions towards excellence
- Motivated individuals planning to play a leadership role in health systems

**Admission Requirements**
- Holding a minimum of a bachelor degree from a university recognized by AUB
- Meeting AUB’s English Language Proficiency requirements (ELPR)
- Having at least 5 years of professional experience in the field of health care or a related field. Applicants from non-health sectors may be considered.

**How to Apply**
Fill in the application form posted on the EMHCL Program webpage and send it to the Admission Office with the required documents.
