The Naef K. Basile Cancer Institute (NKBCI) and the Department of Internal Medicine, Division of Hematology-Oncology, are seeking candidates for senior full-time faculty position at the rank of Associate Professor or Professor. Candidates must be board-certified and skilled medical oncologists with special interest in bone marrow transplantation and must have displayed a strong track record for a career in academic medicine as evidenced by effective teaching and impactful research publications in peer-reviewed journals. Candidates must also have experience in participating or leading in clinical trials, and must have the potential for collaborating with international academic research organizations to conduct clinical research in Lebanon.

The newly established NKBCI include multiple in-patient and out-patient services as well as a state of the art bone marrow transplantation unit and a fully equipped radiation oncology department. The position carries an academic appointment in the Division of Hematology Oncology in the Department of Internal Medicine and full membership in the NKBCI.

Applicants should submit electronically: curriculum vitae; the names and addresses of four references; a summary of their accomplishments in the areas of clinical scholarly activities, teaching and research; and future career plans. All requested documents should be submitted to Dr. Fuad Ziyadeh, Chairperson of Department of Internal Medicine, (fz05@aub.edu.lb) with copies to the Dr. Hassan Solh, Director of NKBCI (hs03@aub.edu.lb), no later than September 9, 2016.
