JOB ANNOUNCEMENT

Assistant or Associate Professor Position
Department Of Surgery
American University of Beirut
Faculty of Medicine and Medical Center
Beirut, Lebanon

The Department of Surgery at the American University of Beirut is seeking to employ a faculty member at the Assistant or Associate Professor level, with expertise in clinical research in the surgical field. The main role would be to support the research activities of the department’s faculty members. The appointed member will serve as a core faculty member at the Clinical Research Institute at the Faculty of Medicine and contribute to its educational, training and support programs. At the same time, the member is encouraged to pursue his or her own research interests.

Key responsibilities include designing, conducting and leading investigations in clinical research in the surgical field, which includes writing grants proposals, writing and reviewing study protocols, advising on analysis plans, analyzing data and developing manuscripts. Responsibilities also include monitoring progress on existing projects, providing direction/leadership to junior faculty and surgical residents, statistical assistance for publications, and participating in didactic and hands-on training of surgical faculty, residents, and fellows.

The candidate must have a doctoral degree with a strong background in academic activities, including teaching and demonstrable success in the conduct of clinical research. The candidate must have displayed interest in pursuing a career in academic medicine, evidenced by publications in peer-reviewed journals.

Qualified applicants should submit electronically: (1) their curriculum vitae, (2) a letter of interest (detailing career goals and vision for supporting the research mission of the Department of Surgery), (3) the names and addresses of four external references; and (4) a summary of their accomplishments in the areas of clinical scholarly activities, teaching and research. The required documents should be sent to the Chairman of the Department of Surgery, Dr. Jamal Hoballah, to the following email address: jh34@aub.edu.lb, no later than May 15, 2016.
