Notice for Film Screening Events Held by Student Organizations

When showing a movie on campus, all screening rights for the film must be secured and submitted to the Student Activities department at least 48 hours in advance. It is the responsibility of the club, society or student organization to secure the proper rights for the screening whether or not an admission fee is charged and AUB will not be liable for any transgression. For clubs, societies, SRCs or any student organization the president will be considered legally responsible for failure to ensure proper rights to screening are secured.
