Backed by a strong balance sheet, we offer unrivalled asset raising abilities and have a proven record of delivering value for our clients. Based in Tokyo with regional headquarters in London, Hong Kong and New York, we have offices in over 30 countries and employ more than 26,000 people worldwide. In October 2008 we acquired the Lehman Brothers franchise in Asia as well as most of its operations in Europe and the Middle East. Our combined businesses have quickly made us a leader in global investment banking.

Nomura offers a range of graduate and internship programmes in three key areas - investment banking, global markets and business infrastructure.
