Job Description

BRIEF JOB DESCRIPTION:

International Graduate Programme

The International Graduate Programme gives you a variety of teaching, we dedicate time in your learning and business exposure as we want to give the best start to your career. From day one you'll become part of an international community and grow your global network. You'll have exposure to different cultures and working styles and have an incredible opportunity to take part in our International Induction programme in Malaysia.

We're looking for the future leaders of Standard Chartered Bank and the International Graduate Programme is the springboard for you to achieve this. We're looking for the best and the brightest talent in the market to join one of business functions as part of our two-year programme.

Learn Faster, Go Further, Contribute more

Our International Graduate Programme offers a unique opportunity for new graduates, who start a series of rotations working with diverse teams and on projects that involve interaction with colleagues overseas. They learn firsthand the importance of cultural awareness and sensitivity, and that the way business is conducted in one country is often very different from another.

We encourage our graduates to build diverse networks across the Bank which they can draw upon and engage when needed. Working with such a wide range of cultures and nationalities gives our graduates a unique experience that few organizations can offer.

At Standard Chartered, helping our employees get the very best from themselves is the key to our success. We think deeply about how to achieve it, from development onwards. Leading the most exciting growth markets and being truly global, helps us offer more varied, more valuable paths.

You'll learn faster, go further and contribute more.

What the programmes involve:

- Take part in the International Induction Programme in Kuala Lumpur
- Participate in business function specific academic training
- Structured rotations give you exposure to our key business areas
- Take part in the International Graduation Programme at the end of the programme

How we'll support you:

- You will have a support network of business sponsors, buddies, line managers and your own graduate talent team
- You will have full support to complete various professional qualifications, whether it be the CFA, CIPD, the ACCA or the CISA
- You will receive strengths coaching to learn how to make the most of your talents

Here's how we'll jumpstart your career:

- You will have access to international jobs upon graduating
- We have a ratio of three jobs per person to choose from
- You will have an international network for life
- You will have an entire talent team looking after you
