### WHAT?

Are you interested to pursue Design, Fashion, Visual Arts or Communication studies in Milan, Rome, Turin, Cagliari, Barcelona, and Madrid? There are several scholarships available for "Creative diary" granted by IED international network; therefore you may visit the following website for detailed information: <http://creativediary.net>

Daily showcase of world young creatives who compete to win IED international scholarships for 2010-11 three year courses in [Milan](#), [Rome](#), [Turin](#), [Cagliari](#), [Barcelona](#), and [Madrid](#).

There are four design ideas to be developed, one for each school (IED Design, IED Fashion, IED Visual Arts, IED Communication). "My Cult" is the theme of this selection: ideas and objects to represent or characterize the participants personal idol, dream and icon. A person, an object, a location, a historical period: all these things can represent a 'cult', something being perceived as unique.

The projects and images selected will be published on the site <http://creativediary.net>, where they can be rated and commented by visitors. Candidates will be able to check the rating of the public and read the opinions about their creativity.

### WHEN?

The deadline for submitting projects is April 12, 2010.
