

# Residence Hall Application AY 2009-2010

## MEDICINE STUDENTS

**Please read the information found on this sheet & keep it as a reference:**

**I. Priority for on-campus housing is for the undergraduate students.** Graduate and medicine students will be accommodated only if places are available. Applications for new students are processed on a first come, first served basis. **Early application is strongly advised.**

Due to our limited capacity and the high demand we have, **private is not a priority and subject to availability.** If possible, priority will be given to current residents from among the senior class, junior, sophomore and freshmen.

### **II. Residence Hall/Room Assignment and Roommate Criteria**

The choice of room/dorm for new students is determined by Student Housing which reserves the right to **change the resident's assigned room in cases where private may be assigned or in cases of room reservation cancellations.** Students who do not specify a roommate will be assigned a roommate from among the pool of applicants we have. A request to change room/roommate may not be accommodated upon the mere occurrence of roommate disagreements. Students are urged to mediate their differences and compromise. If no agreement is reached, Student Housing will meet with both parties and decide the appropriate course of action. Senior residents, who in their previous years at AUB, did not reside in their preferred residence hall will be given first choice of residence hall. Graduate and medicine students will be accommodated after all undergraduate applicants have been accommodated.

### 1. Failure to Take up Residence and Early Departure

Failure to take up residence does not eliminate liability for fees. **Failure to cancel** the room reservation **prior to the start of the academic year will result in a fine ranging between 10% and 25%** of the student residence fee. **Those who voluntarily depart from their dorm before the end of a year are not entitled to receive a refund.**

### 2. Services and Equipment

AUB provides basic furniture in each room as well as free laundry and ironing facilities. We do not provide linen, towels or “household” appliances. Students should bring with them pillows, bed linen, towels, and any small electrical appliances they may require. Gas containers and/or electrical heaters represent a safety threat and are therefore prohibited. All dorms are wired for 220 volts except Kerr hall, which is 110 volts. All dorms have wireless Internet coverage.

### 3. Personal Property Insurance and AUB Liability

AUB cannot assume responsibility for personal property kept in a student’s room. We strongly recommend private insurance coverage against risks such as fire or theft.

### 4. Keys

- Room keys in the dorms are given to students during the period of their stay. Responsibility for these keys during this period is solely with the student. The student must return all keys, in person, once the term of his/her stay has ended.
- A **fine of L.L. 60,000** will be charged in case of loss or failure to return keys upon check out. The Office of Student Affairs must authorize duplication of dorm keys. Unauthorized duplication of any university key is strictly forbidden and will result in disciplinary action at the discretion of the Dean of Student Affairs.

### 5. Curfew Policy

Graduate and medicine students are exempt from the curfew policy.

### 6. Smoking and Alcohol

As part of the AUB community, the residents are required to abide by the smoking policy that is applicable on campus. In the residence halls, smoking is not permitted in public areas of the dorms and double as well as semi private occupancy rooms.

Alcohol is strictly prohibited at all times anywhere in the dorms.
