General Dorm Regulations

- All residents who enter their dorm after midnight must register their name at the reception desk.
- Residents who do not have curfew waiver must be physically present on campus between 12:00 midnight and 7:00 am from Sunday through Thursday, until 1:00 am on Fridays and 2:30 am on Saturdays.
- Loitering near the residence areas after midnight is not allowed so as not to disturb the residents.
- The Residence Halls are open to guests between 7:00 am until 12:00 midnight daily. Visitors of the opposite sex are not allowed in the residents’ rooms. Otherwise, visitors may be allowed after checking with the official student housing staff. Please note that all guests must leave the residence by 12 midnight.
- The Residence Halls are equipped with a number of washing machines and dryers. Residents take turns using them. Proper handling of the machines ensures the continuity of this service.
- The telephone is there for the convenience of all residents. Please make sure to limit your calls so as to allow others to use this shared service.
- Overnight guests are not allowed in the Residence Halls. However, any student who wants, when needed and justified, to receive an overnight guest, must secure permission from the Head Resident and Student Affairs Office at least 2 days in advance. A guest fee of 15,000 LBP must be paid at the Cashier's Office.
- During the final examination period, quiet hours must be observed 24/7. Courtesy hours are always in force.
- Acts of vandalism, tampering with fire extinguishers or throwing any item from windows or balconies will result in severe disciplinary measures.
- A special set of rules governing the work and conduct of receptionists is available. If you have any complaints in this regard, please make sure to report it to the Head Resident.
- Money and valuables should never be left in rooms unlocked. The Student Affairs Office is not responsible for the disappearance (theft or otherwise) of the personal belongings of the residents.
- Irresponsible behavior such as attempting to enter your room through the building external edges is absolutely forbidden and would result in severe disciplinary measures. Resident Assistants (RA’s) are provided with sub-master keys to help you get inside your room when you are locked out.
- Residents who wish to work as receptionists under the “Student Work Scholarship Program” should pay attention to vacancy announcements inside the residences.
- No alcoholic beverages may be consumed or stored in the Residence Halls.
- As part of AUB community, residents are expected to respect its policies on harassment and smoking.
- The Residence Hall is your home away from home. Please take good care of it and keep it clean. Garbage should be disposed of properly and dirty dishes should not be left unwashed.
- Do not use tacks or adhesive tape that may ruin the painted and wooden surfaces.
- Damages to furniture or fixtures will be charged to your account.
