SPRING – SUMMER 2013
NOTICE TO AUB STUDENTS

Spring check-out and Summer check-in:
This is an early reminder for students applying for Summer dorms that the check-in date is on Friday May 31, 2013 given that the Summer semester starts on June 3, 2013. In order to facilitate the residents’ check-in for Summer, all residents who are not enrolled for the Summer (including graduating residents) will have to check out by May 26, 2013 at the latest.

Remaining in the same room:
Students who requested to remain in the same room need not check out between Spring and Summer. If a student requested a change of room, then she/he is expected to coordinate closely with the receptionist regarding the moving date.

Summer Eligibility:
I also take this chance to remind you that only students enrolled in the Summer are allowed to stay in the dorms during that period provided they apply by April 22, 2013. This includes students who are doing their internship this Summer provided the internship is credited by the curriculum e.g. zero-credit internship. The bottom-line is that the student must be enrolled for the Summer and covered by HIP.

Student Housing Deadlines:
With the University’s efforts to implement the new calendar for the academic year 13-14 and our maintenance agenda for the Summer, we will not be able to extend the stay of residents beyond the below deadlines:

May 26 (Sunday): Spring 2013 check-out date for all students who are not enrolled in dorms for Summer 2013
May 31 (Friday): Summer 2013 check-in date
July 28 (Sunday): Summer 2013 check-out date for FAS students
August 4 (Sunday): Summer 2013 check-out for FAFS students (FAFS students will have to pay an extra fee covering the period July 28-August 4 as the Summer fees stated on the application cover the period June 3-July 28)
