Know your Arabic Requirement before you Register...

Arabic Placement Test
The Arabic Placement Test is optional. Students who opt not to sit for the APT will have to register in ARAB 201B, 202 or any course above 211 excluding ARAB 213, 214, 215, 216, 217, 218, 219, 248, and 256. The option of APT will be reserved for those students who think they may be too weak to follow higher courses and that they should take ARAB 201A. Such students may sit for their APT to ascertain that their level of proficiency in Arabic is not appropriate for a higher course. This will be further ascertained during the course itself. This does not include students who are exempted from Arabic. The results of the test apply to the term in which the test is taken and to the following term.

The Arabic Placement Test will take place according to the following schedule:

Monday, January 23, 2017 at 2:00-2:30; 2:30-3:00 in 500 Nicely

Students should bring their I.D. (letter of acceptance in case ID is not issued) and a pen.

Arabic Requirement for Freshman
Freshman students do not have to sit for the APT. Your placement in Arabic courses will be decided by your scores in the Arabic freshman courses.

Exemption from Arabic
If you weren’t taking Arabic in high school or if you were taking low level Arabic which does not qualify you to take university level Arabic courses, you may apply to be given an exemption by filling the Arabic Exemption form and submitting it along with a proof (Arabic exemption letter from high school or statement specifying you were taking low level Arabic) to the Office of Admission before registration.

To be Supported by Financial Aid

The vast majority of financial aid given by AUB is in the form of need-based grants. AUB awards financial aid grants to undergraduate students based upon the financial need of a family. Additional need-based aid is provided to all enrolled Lebanese nationals non-freshman students in the form of student loans. In addition to need-based financial aid, AUB also offers special scholarships based on academic talent. These include full-tuition AUB merit scholarships. AUB also offers graduate assistantships and a work-study program.

To find more on how and when to apply for Financial Aid check the Financial Aid Website
Definition of Plagiarism
To plagiarize, according to Longman’s Language Activator, is “to copy words, ideas, etc. from a book, article etc. written by someone else, and use them in your own work, pretending that you thought of them”.

Plagiarism at AUB
Plagiarism and cheating are serious offences and are not acceptable at AUB.

Plagiarism Test at AUB
All students are required to take the Plagiarism Test available at this link. Failure to pass the Plagiarism Test during your first semester at AUB will delay your registration for the next semester. You can take the test as many times as necessary.
