Registration

You will not be able to access AUBsis until all Official Documents are submitted to the Office of Admissions. If you cannot access your AUBsis then you should pass by admission for activation.

Students, can web register from home via the internet, from computer labs on campus or from any other assigned labs. The steps a new student should follow for registration are as follows:

1. Visit the AUB homepage (http://www.aub.edu.lb)
2. From the top right of the menu, click on AUB student information system “AUBsis”
3. Click on "Enter Secure Area" and log in using your student ID and your birthdate
4. Choose "Student Services" then "Registration" and finally "Student Record/Advisor".
5. Find the name of the primary and secondary advisor
6. Visit your advisor for advising purposes and get your pin number
7. Activate your pin code and follow the instructions
