Dear Colleagues,
In Collaboration with Jafet Library, CTL is organizing a workshop on
**Faculty Workshop: RefWorks Citation Management Tool:**
a web-based citation management tool available to all AUB Library users. It offers researchers a solution to collect, organize, cite and share their citations.

Attendees will learn how to use RefWorks to:

- **Import** references from library databases and Google scholar
- **Organize** and store references in folders according to research needs
- **Share** folders of references with students & colleagues
- **Format** footnotes & endnotes in a research paper
- **Format** in-text citations in a research paper
- **Format** and generate a bibliography of selected references with the selected style (hundreds of styles available)

**Facilitator:** Mrs. Nabila Shehabeddine  
**Date:** April 28, 2014 at 3:00 pm (60min lecture and 30min practice)  
**Venue:** E-Classroom, Jafet Library, 2nd floor  

Interested colleagues can register by clicking on the below button:
