The Faculty of Health Sciences (FHS) at the American University of Beirut (AUB) is offering the Executive Master in Health Care Leadership (EMHCL): an innovative academic program to enhance the knowledge and skills of current and future generations of health care leaders. The program is tailored to the needs of the health care sectors in the MENA region, with the goal of advancing public health knowledge and practice.

The innovative EMHCL program is flexible and covers a wide range of topics including: Communicating with Policy Makers; Evidence-Based Management; Marketing in Healthcare; Organizational Reform; Performance Improvement and Innovation; and Strategic Planning and Decision-Making, among others.

A Degree That Matters

⇒ Providing in-depth insight into leadership, innovation, and entrepreneurial practices within health care to enhance the public’s health
⇒ Teaching new best practices for improved managerial performance from leading public health academics and practitioners from AUB and the region
⇒ Offering networking opportunities with professional leaders throughout the region

A Fast Track to Career Development

⇒ The EMHCL will help expand your knowledge of recent advances in health and of the challenges and dynamics specific to health care systems
⇒ The EMHCL will improve your managerial and leadership skills
⇒ The EMHCL will enable you to enhance the quality of your workplace

Admission Requirements

An applicant is considered for the admission to the EMHCL program if he/she:

⇒ Has at minimum a bachelor degree that is recognized by AUB
⇒ Meets the English Language Proficiency Requirement (ELPR) of AUB
⇒ Has at least 5 years of professional experience in the field of health care, management or related field
