Dear Student,

We are delighted that you are planning to apply to AUB and hope that you will be able to visit the campus during the coming months and learn more about the curriculum, facilities and student life.

As you are completing this application for admission, you will be asked to make a number of choices: decisions about which entrance level is appropriate for you, which program(s) of study most interest you, when you would like to begin your studies, and on what time-table you will complete your application and learn the decision of the Admissions Committee about it. You will also want to make sure that you complete all the steps in the application process in a timely way.

Please review the admissions policies, requirements and deadlines summarized in the Admissions Information in this publication. In order to make informed decisions and to complete your application successfully you should be familiar with these policies and should meet all requirements and deadlines. Let me call your special attention to the following:

- Academic Requirements and Records refers to the type of secondary preparation needed for applying to the various entry levels and faculties.
- The SAT I requirement refers to the standardized test all applicants must submit by certain dates.
- The English Language Proficiency Requirement (ELPR) refers to ways in which you may indicate that you have the degree of English proficiency needed to succeed in a program taught almost entirely in English.
- The Early Admission Program refers to a plan for applying to AUB early in the application cycle in order to receive an early decision.
- Application deadlines refers to the dates:

Once again, I hope you will visit AUB's beautiful campus if you can, and please don't hesitate to write, call or e-mail us with any questions you may have about your preparation for admission, your application, or the University. We look forward to hearing from you.

Sincerely,

☐ Parents  ☐ AUB financial aid  ☐ Other, ____________________________

Financial aid is awarded on the basis of demonstrated financial need first and then academic achievement. Only those students who could not attend AUB without financial aid should apply. Financial aid applications are available on the AUB website www.aub.edu.lb/admissions/ under office of financial aid or at

Office of Financial Aid
American University of Beirut
PO Box 11-0236
Riad El Solh 1107 2020
Beirut, Lebanon
Telephone: + 961-1-353465, ext. 3160/1
Fax: + 961-1-750226

The deadline for applying for financial aid for the academic year 2010–11 is February 2, 2010.
The Freshman Year Program is designed for students who hold a secondary school certificate based on 12 years of schooling, starting from Elementary I, and who have not completed the Lebanese Baccalaureate Part II or the French Baccalaureate (holders of the Baccalaureate Part II or the French Baccalaureate may not apply to the freshman class). Completion of the freshman year at AUB is required (in lieu of these secondary diplomas) for admission to a major and promotion to the sophomore class in the Faculty of Arts and Sciences or admission to the equivalent classes in the other faculties. Students who have completed the International Baccalaureate Diploma, the GCE in required subjects, the German Abitur, or similar programs may apply to either the freshman class or the sophomore or equivalent classes, depending upon the subjects taken and the level of performance. If they apply to the freshman class, they may receive advanced placement and credit in particular subjects for excellent performance in those subjects. For full information about the requirements for admission to and completion of the freshman year, please consult the admissions section of the 2009–10 Catalogue.

Each year the University enrolls approximately 350 students in the challenging Freshman Year Program. Most students spend two semesters completing the 30 required freshman credits; some students spend a longer or shorter time depending upon the level of preparation with which they enter and the quality of their performance in the freshman year. The Freshman Year Program gives students with twelve years of schooling the opportunity to move more comfortably from secondary school to the university level, to make a better informed choice of a major field, and to gain a sound preparation for professional school.
