Subject: MPH Graduation Requirements

Policy Number: MPHP&P-11

1. Background

Students must demonstrate that they have satisfied the minimum level of requirements in order to graduate from the program.

2. Policy

To be eligible for graduation from the MPH program, a student must have fulfilled all the following graduation requirements:
- Completed a minimum of 42 credit hours, and
- Passed each course with a minimum grade of 70, and
- Earned a cumulative average of at least 80. Graduation average greater than or equal to 79.5 can be rounded to 80.

Related Policies
- Curriculum
- Academic Performance

3. Procedures

The MPH Administrative Coordinator prepares a list of students who completed the graduation requirements and discusses it with the GPHP Coordinator. The Administrative Coordinator recommends the graduating class to the Graduate Studies Committee. The vote of the GSC is then taken to the Faculty meeting for discussion and voting.

4. Revision History

Date last approved by GSC: December 22, 2009
