GREEN OVAL, WEST HALL

VISIT: www.aub.edu.lb/sao/Pages/index.aspx
Dear AUB students and alumni,

“We are all inventors, each sailing out on a voyage of discovery, guided each by a private chart, of which there is no duplicate. The world is all gates, all opportunities.”

—Ralph Waldo Emerson

The Career and Placement Services (CPS) at the American University of Beirut cordially invites you to attend its Annual Job Fair which will be held on Thursday, May 12 and Friday, May 13, 2011 on AUB’s upper campus.

Countless firms have recruited hundreds of AUB graduates through their participation in previous Job Fairs. The Job Fair provides a crucial gateway for graduating seniors and interested AUB alumni to meet representatives of prominent potential employers and discuss with them career concerns and opportunities.

Choosing a career remains one of the most important decisions one makes during his/her life. As the Job Fair presents an opportunity for you to stand out, it is important that you present yourself as best as you can and bring with you updated and polished copies of your resume and cover letter.

The Job Fair Guide 2011 intends to provide you with a sound review of participating firms as well as direct you toward firms of your interest. More than 135 firms will partake in the AUB Annual Job Fair 2011 out of which 61 firms are multinational, 41 are regional and 28 are local. There will be more than 200 job opportunities available during the two-day event, in addition to more than 25 recruitment presentations, on-campus interviews, aptitude and business case analysis tests.

The CPS urges all students seeking full-time jobs, part-time jobs, and internships to attend this valuable event, for education does not end upon obtaining your degree. Learning is a lifelong process and the Job Fair is a unique vantage point from which you may launch your career.

The AUB Annual Job Fair 2011 pools together endless prospects of infinite value. Use the resources at your disposal, make your opportunities a reality, and take the first step toward achieving a successful career.

Congratulations to the 2011 graduates and best wishes for a bright future.

Best Regards,

Dr. Maryam Ghandour
