Job Description

BRIEF JOB DESCRIPTION:
At McKinsey’s Middle East office, you will have daily opportunities to build enduring relationships of your own as you work with clients to help them address their most serious challenges. You will work with colleagues from around the world to bring to your client the knowledge, experience, and resources that McKinsey can deliver. From the outset, you will work closely with senior client executives and McKinsey colleagues in an entrepreneurial environment, helping develop programs that help shape sectors and transform nations.
Business Analysts take responsibility for part of the problem solving for each client engagement. They play a key role in data gathering, contributing to the team’s final recommendations, and presenting their work to senior client executives. They also have a voice in determining the team’s style and pace of work.

We look to hire individuals with leadership potential, integrity, a sharp analytical mind, creativity, and the ability to work with people at all levels in an organization.

Those who come to McKinsey join people bound by a shared set of values and a culture of support, caring, trust, respect, and interdependence. We go to extraordinary lengths to support the people we hire to succeed. We provide them with unrivaled opportunities for growth and global impact. This passion to contribute continues in our alumni, who remain connected to and engaged with our firm and its people.
