**Job Title:** MBA MACH Technical

**Deadline:**

**Reference Number:** 291014-18

**Company Description**

**NAME OF FIRM/INSTITUTION:** Microsoft

**TYPE:**
- [ ] Local
- [ ] Regional
- [x] Multinational

**INDUSTRIAL SECTOR:**

**BRIEF FIRM DESCRIPTION:**

Do you want to play a vital part in the business success of a high-tech global leader? Would you like to experience an inspiring world class program? Are you ready to start your Microsoft journey and accelerate at MACH speed?

Over the last three decades, we have consistently transformed the way that people live, work, play and connect through great technology. We are driving advances in cloud computing, developing new ways for people to interact with technology at home, at work and on the move, while transforming education and public services and supporting the global economy. We have been at the center of the revolutionary changes that technology has brought to every aspect of our lives and we will be at the center of tomorrow’s transformations.

As a company and as individuals, we take on big challenges, and pride ourselves on seeing them through. We hold ourselves accountable to our customers, shareholder, partners and employees, always striving for the highest quality. Our workplace is all about being inspired and motivated to achieve extraordinary things which leave a lasting impact.

**Microsoft MBA roles in the Technical Track**
The continuing integration of technology and marketing has created a huge opportunity for Technical professionals to connect with our customers in new ways - we are looking for agile and innovative thinkers to keep us at the forefront of technology.

**What makes Microsoft a great place for Techies?**

We have amazing products used by over a billion people each day. We have an incredible diversity of businesses: from flagship brands to challenger brands and from established markets to emerging markets, we have some of the strongest consumer and enterprise products and services in the world. With unparalleled depth and breadth of career opportunity and the ability to make a worldwide impact, you can design a career path that is hard to match anywhere.

If you are passionate about telling our Microsoft story, and the way our products enable people and businesses realize their full potential - we have an MBA MACH Technical program tailored to help you become a world class expert and a trusted advisor for our costumers.
