

AMERICAN UNIVERSITY OF BEIRUT
Office of the President

October 21, 2019

Dear AUB community,

While we continue to support our students, faculty, and staff who are exercising their right to free speech and expression, in line with our values of respect for peaceful dialogue and civic responsibility, AUB intends to return to normal operations on Wednesday, October 23 in order to fulfill our mission to educate our students and serve the community.

Classes will resume on schedule and all our faculty are committed to making up for the lost time as the term progresses. Should some students have problems getting to AUB, our faculty will work hard to make teaching content available for those students. Exams will be rescheduled in a way that allows students adequate time for preparation.

Please keep safe and continue to check the AUB website and social media for updates.

Best regards,

Fadlo R. Khuri, MD
President
