

AMERICAN UNIVERSITY OF BEIRUT
Office of the President

October 19, 2019

Dear AUB community,

We continue to monitor the situation throughout Lebanon carefully. We hope you are all keeping safe, especially those of you who are expressing your views and holding to your rights as citizens. These are momentous days that hold out hope for a better, more inclusive future for Lebanon.

The university's plan is to resume classes and other activities as soon as the situation stabilizes and main roads are open. We shall communicate all decisions affecting our students, faculty, and staff as early as possible. Please continue to follow AUB social media and emails for updates.

Meanwhile, we cannot emphasize enough how important it is to remain responsible, peaceful, and calm, and to avoid any provocations or violence.

With our sincere best wishes,

Fadlo R. Khuri
President
