Dear Members of the AUB Community,

In light of the widespread protests and in compliance with the request of the Minister of Education and Higher Education, AUB will be closed today, with the exception of the AUBMC and essential services. Student elections previously scheduled for today will be rescheduled. Please stay safe and avoid large public gatherings until the situation stabilizes. We are confident that working peacefully together, we can ensure that the coming days will see movement towards serious and sustainable solutions for Lebanon and the region.

With our sincere best wishes to all,

Fadlo R. Khuri  
President
