Dear AUB Students,

We hope that you are doing well and staying safe.

Next week on April 12, registration opens for the summer term. Ten days later on April 22, registration opens for the fall term.

We are writing to announce that the upgrade to the Banner 9 Registration platform (AUBsis) has been successful, and you will register in a slightly different way for these two terms. We have prepared an instruction video walking you through the process [here](#). Please review it and prepare in advance for registration by selecting and noting the CRNs you wish to register for.

The new interface contains several improvements, such as a better look and feel, a calendar base view, and the ability to select easily your linked courses. More improvements will be forthcoming in the future as we bring online additional features of Banner 9 Registration.

If you are a new student, or a current special, freshman, transfer, or probationary student, you will be prompted to enter an alternate pin which must be provided by your academic advisor. If this applies to you, please note that the Registrar does not have your alternate PIN; you must get it from your advisor.

We wish you a successful end to the current term.

Kind regards,

Office of the Registrar

PS: We have copied AUB professors on this email for their information because many of them will be advising you.
