WELCOME TO AUB!

It gives us great pleasure to welcome you to the AUB community. We expect you will find an inspiring campus life and a powerful educational journey here. The [New Student Orientation](#) (NSO) will help you take the first steps and will include a **Pre-Orientation** and **On-Campus Orientation**. There is so much to explore, so get ready for an exciting journey ahead!

The New Student Orientation will run **from January 09, 2024, through January 15, 2024** and is designed to guide you through important information that you should know about AUB departments, services, and student support to help you get started and navigate your first semester at AUB.

- The **Pre-orientation** will be delivered online from **January 09**. It will be provided through AUB's learning management system [Moodle](#).
- The [On-Campus Orientation sessions](#) will take place on **January 15, 2024**. Please access the NSO [checklist](#) and make sure to complete it by the set deadlines. A special section for parents/guardians is also available [here](#).

To be able to access the NSO and AUB platforms you must activate your AUBnet account and AUB email by January 12, 2024. You will find the steps you need to follow along with other helpful guidelines in the [New Students Welcome Instructions](#).

Submission of Official Documents:

You must submit all official documents required to complete your admissions file prior to registration. These documents are listed in the letter of admission and/or acceptance email sent previously.

If you still did **not** meet the [English language requirements](#), please check the next [AUB-EN](#) registration dates today and arrange to take the required tests. Once the term begins, you may no longer attempt to place into a more advanced English class.

For International Students (Degree seeking, Exchange, and Visiting):

All International students are required to attend the “**International Student Welcome Day**” which will be held on-campus on **Sunday, January 14, 2024**. Students should [register](#) for this event as soon as possible. Refer to OIP’s [Accepted Students](#) website and the [pre-arrival checklist](#) for more information prior to your arrival.

Kind Regards,

Office of the Registrar
