OFFICE OF THE REGISTRAR

November 7, 2022

Dear AUB Students,

We are writing to remind you that on Thursday, November 10, registration will open for all current students for the winter session 2022-23.

When you register, you must not have more than one registration session open or your session will crash.

Your registration and drop and add time tickets are generated as per the [2022-23 University Calendar](#). You may report any discrepancy in your time tickets to the [Registration Administrator](#), and you may click [here](#) to access the system.

When you register, it is very important that you login using your AUBnet credentials (e.g., ab123 and email password). Your AUBsis credentials will not work.

Please note that registration is one day only and you can register for a maximum of 3 credits during the winter session. Also note that no registration Alternate Pin Code is required.

If you are planning to register for the winter session 2022-23, please make sure you register during the registration period (November 10).

Additionally, remember to include your AUB ID # in all your inquiries.

We wish you a successful winter session.

Kind regards,
Office of the Registrar
