

Certificate and Class Chart

The following chart provides information about the types of certificates and the classes to which such applicants may be admitted. In all cases the SAT I (mathematical reasoning, verbal reasoning, and writing) must be taken by the deadline, and the English Language Proficiency Requirement must be met.

The abbreviations used in the chart are as follows¹:

Agri	= Agricultural and Food Sciences	GD	= Graphic Design
Arch	= Architecture	HS	= Health Sciences
Biol	= Biology	Math	= Mathematics
Chem	= Chemistry	Nurs	= Nursing
CmpS	= Computer Science	PtSt	= Petroleum Studies
Eng'g	= Engineering	Phys	= Physics
Eng	= English	SB	= School of Business
FAS	= Faculty of Arts and Sciences	Soph	= Sophomore
Fr	= Freshman	Stat	= Statistic
Geol	= Geology		

Certificate	Class and Department to Which the Certificate Admits
High School Diploma or Secondary School Leaving Certificate, based on at least twelve years of schooling starting with Elementary I Class Students with high grades on certain advanced placement (AP) examinations of the College Board may apply for freshman course credit in those subjects (see p. 41)	Freshman or Nursing I
Government Secondary Certificates (literary or scientific), including the German Abitur and the Diplome d'Etudes Collegiales (DEC) based on two years of the CEGEP Program	Freshman or Nursing I

Students who successfully complete the freshman class are promoted to the sophomore class in the Faculty of Arts and Sciences, or may seek admission to the equivalent classes in other faculties. These equivalent classes are the first year in the Faculty of Agricultural and Food Sciences, the first year in the Suliman S. Olayan School of Business, the first year in the Faculty of Engineering and Architecture, the first year in the Faculty of Health Sciences, and the second year in the School of Nursing. Students admitted to the freshman class are urged to consult with their advisers to familiarize themselves with the requirements for admission to the majors offered by the various faculties of the University.

¹ Please note that the abbreviations listed above are NOT the course codes used in the course listings and descriptions but a guideline for use in the following charts

Government Secondary Certificates also qualify for admission the sophomore class in the Faculty of Arts and Sciences, and to equivalent classes in the other faculties, as follows:

Government Secondary Certificates	Class and Department to Which the Certificate Admits
• Literary	Sophomore majors ¹ in FAS, SB ¹ , Nurs II, Agri I ² , GDI, Eng'g I ³ , Arch I ³ , or HS ⁴
• Scientific	All sophomore majors ¹ in the Faculty of Arts and Sciences, and equivalent classes in other faculties
• Lebanese or French Baccalaureate (Literature and Humanities; Sociology and Economics)	All sophomore majors ¹ in FAS, SB ¹ , Nursing II, Agri I ² , GD I, Eng'g I ³ , Arch I ³ , or HS ⁴
• Lebanese or French Baccalaureate (General Sciences, Life Sciences)	All sophomore majors ¹ in the Faculty of Arts and Sciences, and equivalent classes in other faculties

1 Students who hold the Lebanese or French Baccalaureate (literature and humanities or sociology and economics) or a government secondary certificate, or a certificate or diploma considered by the University to be equivalent to the Lebanese Baccalaureate, may be required to take additional freshman level courses in mathematics and sciences pertaining to their majors in FAS (namely sciences and economics) or OSB.

2 Students who hold the Lebanese or French Baccalaureate (literature and humanities or sociology and economics) or a government secondary school certificate, or a certificate or diploma considered by the University to be equivalent to the Lebanese Baccalaureate, may seek admission to the first year in agriculture provided they take the following additional courses: CHEM 101, and MATH 203 for Agriculture and Food Sciences and Management students; CHEM 200 and MATH 203 for Landscape Design and Eco-Management; CHEM 101 for Nutrition.

3 Students who hold the Lebanese or French Baccalaureate (literature and humanities or sociology and economics) or a government secondary school certificate, or a certificate or diploma considered by the University to be equivalent to these Lebanese Baccalaureates, may seek admission to any of the four engineering majors or to architecture after they have completed a minimum of six credits of freshman level mathematics, and a minimum nine credits of freshman level natural sciences. This minimum credit requirement is waived for students who hold the Lebanese Baccalaureate in sociology and economics and are seeking admission to architecture, if they have completed their premiere year (old Baccalaureate Part I) in sciences.

4 Students who hold the Lebanese Baccalaureate (literature and humanities or sociology and economics) or a government secondary school certificate, or a certificate or diploma considered by the University to be equivalent to the Lebanese Baccalaureate, may seek admission to the first year in HS provided they take the following additional courses: CHEM 200 and MATH 203 for Literature and Humanities Students; only CHEM 200 for Sociology and Economics students.

General Certificate of Education (GCE) and Oxford or Cambridge Higher Certificate

- A total of five different subjects are required, at least two of which are at advanced level.
- Arabic at advanced level may not be counted as one of the two required subjects at Advanced Level.
- The GCE advanced supplementary subjects are not recognized for the purpose of admission.
- A GCE certificate based only on O-level subjects does not admit to the University at any level.
- Holders of the GCE certificate with subjects as specified above may apply for admission to the freshman class. If they choose to do so, they may be given freshman credits for courses equivalent to A-level subjects in which they received high scores.
- Holders of the GCE certificate as specified above may apply for admission to the sophomore class in FAS, and to the equivalent classes in other faculties in the manner indicated below:

Certificate (GCE Continued) Departmental Requirements

To major in the following, students must take the following subjects at Advanced Level, or take the freshman equivalents:

Major	Required Subjects
• Biol	Math and Biol
• Chem	Math and Chem
• Phys	Math and Phys
• CmpS	Math and Phys
• Geology, Math, Petroleum Studies, or Statistics	Math and one from Biol, Chem, or Phys

International Baccalaureate Diploma (IB)

- Six different subjects are required: three at Higher Level (HL) and three at Standard Level (SL)
- For admission to the freshman class or Nursing I, a combination of three HL and three SL that includes one of the following:
 - Mathematical Studies
 - Math Methods SL, or Math HL

Admission to the freshman class is a choice that can be exercised by the applicant. Freshman credits may be given for courses equivalent to those earned with the diploma. Holders of the IB Diploma may apply for admission to the sophomore class in FAS, and to equivalent classes in the other faculties in the manner indicated below:
