- On-site orientation, mentoring and intercultural activities
- Explanation of processes and procedures on campus
- Assistance in obtaining student residence permits

Visas and Residence Permits

International students joining AUB who do not hold a Lebanese passport or Lebanese identity card must have their foreign passports valid for a period of no less than 13 months from the date of joining the university. All such students should also check with the nearest Lebanese Embassy or consulate in their country as to whether they require an entry visa in order to legally enter Lebanon or are eligible to obtain an entry visa at the airport. The OIP may assist students in securing their visas to Lebanon. Students who wish to benefit from OIP visa assistance must indicate this in their Confirmation Letters upon acceptance. Further information can be found on the OIP website.

Once registered at AUB, all students who do not hold Lebanese passports, and wish to stay for longer than the duration of their visas, are required to obtain a residence permit before the expiration of the entry visa stamped in their passports. Students must apply for this permit within one month of arrival in Beirut and ONLY after registering and paying AUB tuition fees.

The Office of International Programs, in coordination with the Office of the Registrar, helps provide the necessary certificates for registered non-Lebanese students to acquire residence permits from the Lebanese authorities. Information about obtaining a residence permit is distributed during International Student Welcome Week at the beginning of each term and may be obtained in our offices located in West Hall, Room 322, as well as on the OIP website.
