Important Health Information, Spring 21-22

- ➔ **Prior to Check-in**, you are expected to share with us the result of a negative PCR test conducted within a period that does not exceed 72 hours from expected check in date.
 Proof of vaccination (certificate of Covid-19 record) → only by new/returning residents as of spring 21-22.
 You are required to share the PCR test result/s:
 - One PCR reading in case you are residing in Lebanon/ has arrived to Lebanon 14 days and above; the PCR should be completed within 72 hour period maximum from check in.
 - Two PCR readings are needed for those coming from abroad (the first from your home country and the second upon arrival to Beirut (Rafic Hariri International Airport/ Official local lab).
 - Please ensure to share with Nisrine Fattouh nf07@aub.edu.lb on working days before 4:00 p.m. to ensure smooth check in.
 - Documents shared after 4pm or on weekend days will be verified the morning after.

- ➔ **If you tested positive for COVID-19 at any point of your stay at the residence**, please inform your head resident immediately in order to be moved to the Murex isolation unit
Once your physician requests a PCR test you will be requested to move to one of the quarantine rooms until the PCR test is out.

- ➔ **If a new pandemic emerged**, we will follow the government's recommendations and AUBMC committee guidelines.
In case emergency checkout is needed, please make sure to clear your items from the room either take them with you or properly store them at the hall's storage room with proper labeling and return all room keys at the reception upon check out.
