A study ranking all scientists and professors around the globe listed 47 scholars from Lebanon who are reported in the top 2% of greatest scholars of the world. A total of 36 are from AUB (see attached). The list includes President Fadlo Khuri, other faculty members from the various Faculties/Schools. Drs Ghada El-Hajj Fuleihan, Abla Mehio Sibai, and Dr Huda Abu Saad Huijer were amongst the group of 5 women listed, Dr Nisreen Ghaddar (Maroun Semaan Faculty of Engineering and Architecture) and Dr Carla Obermyer (Faculty of Health Sciences) completed that list. Others from the Faculty of Medicine include Dr Elie Akl, SHARP faculty member, Drs Kamal Badr, Fuad Ziyadeh, Ali Taher, Ahmad Beydoun, and Ahmad Mansour.

**Congratulations to SHARP, CaMOP, CRI, and to the American University of Beirut community, for such scholarly distinction!**
