

1 CAMS support to CARU (2014–2019)

Below is the record of the joint activities of the Complex Analysis Research Unit in the Department of Mathematics with CAMS.

1.1 Funding of External Visitors

AY 2018–2019

- Frank Kutzschebauch (University of Bern, Switzerland)
- Gerardo Mendoza (Temple University, USA)

AY 2017–2018

- Jae-Cheon Joo (King Fahd University of Petroleum & Minerals, Saudi Arabia)
- Léa Blanc-Centi (University of Lille I, France)

AY 2015–2016

- Rafael Andrist (University of Wuppertal, Germany)
- Samuele Mongodi (University of Pisa, Italy)

AY 2014–2015

- Hervé Gaussier (University of Grenoble Alpes, France)
- Christine Laurent (University of Grenoble Alpes, France)
- Uroš Kuzman (University of Ljubljana, Slovenia)
- Giuseppe Della Sala (University of Vienna, Austria)

1.2 International conferences

- CAMS and the Department of Mathematics organized a conference on *Complex Geometry and Partial Differential Equations* on May 22–26, 2017. Besides local organizers, Gerardo Mendoza (Temple University, USA) was a co-organizer.
- CAMS and the Department of Mathematics organized a conference on *Differential Geometry* on May 26–28, 2016. Besides local organizers, Chady El Mir (Lebanese University), Georges Habib (Lebanese University) and Roger Nakad (NDU-Louaize) were co-organizers.
- CAMS and the Department of Mathematics organized a conference on *Partial Differential Equations in Complex Geometry and Singular Spaces* on November 24–27, 2014. Besides local organizers, Gerardo Mendoza (Temple University, USA) was a co-organizer.

1.3 Other events

In the AY 2015–2016, F. Abi-Khuzam, F. Bertrand and G. Della Sala organized a working seminar on *Value distribution theory of holomorphic functions*. Four talks were hosted by CAMS.

1.4 CAMS fellowships

1. F. Bertrand was a fellow of CAMS in the years 2014–2016 and 2017–2018.
2. G. Della Sala was a fellow of CAMS in the years 2015–2016 and 2017–2018.
