

CAMS support to NTRU (2014-2018)

Below is the record of the joint activities of the number theory group in the department of Mathematics with CAMS for four years only. The number theory group has been heavily involved with CAMS starting in 2011-2012.

• Funding of external visitors:

- November 2018: Dr. Gerardo Mendoza (Temple University)
- November 2018: Dr. Martin Bright (University of Leiden, the Netherlands)
- July 2018: Dr. Dohoon Choi (Korea University)
- November 2017: Dr. Satoshi Kondo (National Research University, Higher School of Economics, Moscow, Russia)
- March 2017: Dr. Frank Thorne (University of South Carolina, USA)
- March 2017: Dr. Ramesh Sreekantan (ISI Bangalore, India)
- April 2017: Dr. Paul Jenkins (Brigham Young University, USA)
- September 2016: Dr. Michael Griffin (University of Cologne)
- September 2016: Dr. Winfried Kohnen (Atiyah Distinguished visitor, Heidelberg University, Germany)
- March 2016: Dr. Sebastian Kochinke (University of Leipzig)
- September 2015: Dr. Winfried Kohnen (Atiyah Distinguished visitor, Heidelberg University, Germany)
- September 2014: Dr. Winfried Kohnen (Atiyah Distinguished visitor, Heidelberg University, Germany)
- July 2014: Dr. Larry Glen Rolin (University of Cologne, Germany)

• Atiyah Distinguished conference on Modular Forms and Related Topics (May 28 until 31, 2018). It is the fourth big conference on modular forms and related topics. CAMS funded 16 international speakers in terms of tickets, accommodation, coffee breaks and conference's trip. Total budget was \$20,288.

Speakers:

Siegfried Boecherer (Universität Mannheim, Germany)
François Brunault (École normale supérieure de Lyon, France)
Ahmad El-Guindy (Texas A&M University, Qatar)
Michael Griffin (Brigham Young University, USA)
Alia Hamieh (University of Northern British Columbia, Canada)
Bernhard Heim (German University of Technology, Oman)
Ghaith Hiary (Ohio State University, USA)
Tomoyoshi Ibukiyama (Osaka University, Japan)
Paul Jenkins (Brigham Young University, USA)
Winfried Kohnen (Heidelberg University, Germany)
Robert J. Lemke Oliver (Tufts University, USA)
Karl Mahlburg (Louisiana State University, USA)
Steven J Miller (Williams College, USA)
Larry Rolin (Vanderbilt University, USA)
Frank Thorne (University of South Carolina, USA)
Lynne Walling (Bristol University, UK)
