## **Alma Mater**

Far, far above the waters  
Of the deep blue sea,  
Lies the campus of the College,  
Where we love to be.  
Far away, behold! Kanisah!  
Far beyond, Sannin!  
Rising hoary to the heavens,  
Clad in glorious sheen.

Chorus:

Look before us!  
Shout the chorus!  
See the banner wave.  
AUB in thee we glory  
Make us true and brave.

## **Lebanese National Anthem**

All of us! For our country, for our glory and flag!  
Our valor and our writings are the envy of the ages.  
Our mountain and our valley, they bring forth stalwart men.  
And to perfection we devote our words and labor.  
All of us! For our country, for our glory and flag!  
All of us! For our country.

## نشيد الجامعة

## **A Bold Vision for AUB: Vision 2030**

President Fadlo R. Khuri has laid out an inspiring—and bold—vision to make AUB “a globally unique institution of higher education whose community of scholars and practitioners embody integral service, teaching, and research, all of whom are dedicated to improving the human condition.” His vision is of a university that is defined by its liberal arts ethos in education, excellence in research, compassionate medical care, and an abiding commitment to Lebanon and the Arab world.

Students are at the heart of Vision 2030. AUB is strengthening its undergraduate education curriculum and student support services, putting even more emphasis on the liberal arts, and introducing a completely new general education program emphasizing the humanities, technology, and service. The university is also investing in its campus facilities so that faculty and students have the tools and resources they need for innovative research. In addition to renovating some of the legacy buildings on upper campus, AUB is also planning to build new, state-of-the-art facilities.

AUB has launched BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, a five-year \$650 million fundraising campaign, to support Vision 2030 and to secure the resources we need to continue to Lead, Innovate, and Serve the peoples of the Middle East and beyond for generations to come.
