

For Immediate Release

Energy Minister Jibrán Bassil, energy experts to discuss role of natural gas in Lebanon at AUB workshop

Beirut, Lebanon- 10/03/2012 - The American University of Beirut's Munib and Angela Masri Institute of Energy and Natural Resources will hold its third annual international workshop on, "The Role of Natural Gas in Lebanon's Future Energy Mix."

Date: Friday, April 27, 2012
Time: 8:30 am to 2:00 pm
Location: Hostler Center Auditorium

Held under the patronage and with the participation of Energy and Water Minister Jibrán Bassil, the workshop will include the participation of Arab and international energy experts and will include a panel discussion on how to prepare for the "hydrocarbon era."

The workshop sessions will be conducted in English and Arabic with simultaneous translations into both languages.
