

Seminar on youth and women's health to be held by AUB

Friday May 14, 2010

A one-day seminar entitled "Towards the Promotion of Youth and Women's Health in Lebanon: A Holistic Research Approach," will be held on May 18, 2010 from 8:30 am to 5:30 pm at the Safir Heliopolitan Hotel in Raouche, Beirut. It will be in Arabic.

Organized by AUB's Center for Research on Population and Health (CRPH) and the Outreach and Practice Unit (OPU) at the Faculty of Health Sciences, the seminar aim to meet the following objectives:

- To disseminate research findings on youth and women's health in Lebanon
- To stimulate dialogue on key issues related to youth and women's health
- To engage in identifying policy and practice implications
