

10 TIPS TO BENEFIT FROM THE SEMESTER BREAK

1. RELAX

and rest both your body and mind, after a hectic semester of hard work! Make sure to recharge in order to avoid fatigue and burnout during the next semester.

2. CELEBRATE

success and achievements with friends and fellow students to end the semester on a festive high-note.

3. EXERCISE

and stretch your body through outdoor activities such as hiking or camping before you get back to studying.

4. CONNECT

with your friends and family and spend some quality time together by doing all the activities you couldn't do during the studying period such as road trips, cooking together or even movie marathons.

5. READ

a book that might be of academic or leisurely interest, and indulge yourself in calm universe away from screens and social media storms.

6. UPDATE YOUR RESUME

and your linked-in profile by adding your latest relevant achievements and community service involvement.

7. PREPARE FOR INTERNSHIPS

by drafting cover letters and sending applications to employers and companies in order to prepare for a summer internship.

8. HELP

others by volunteering and leaving a positive impact on your community and peers.

9. LEARN

new skills such as new languages, software or any other subject that might be of interest.

10. PREPARE

for your next semester by reviewing your old notes and getting a glance at the upcoming classes.
