

CAMPAIGN UPDATES

September 25, 2021

Dear AUB Community,

This week the “AUBe Vaccinated Campaign” administered **6,697 doses**, reaching a total of **42,717 doses**.

For the following week (September 27 to October 1, 2021), the AUB Immunization Center will open from 8:00 am until 4:00 pm, Monday to Friday for the **extended community**, **only through the following [booking system](#)**.

The extended community includes:

- Any AUB alumni and their dependents (parents and spouses) (AUB Alumni ID is required)
- Domestic workers (Residency Permit is required for foreign workers)
- Individuals with disabilities and special needs (above the age of 12)
- Taxi drivers and public transport drivers (Public Driving License is required)
- Adults of age 45 years and above

The AUB Immunization Center will continue the campaign for the **AUB faculty, staff, students, and their dependents** (spouses, children including those 12 years old and above, parents, grandparents, siblings-in-law, children-in-law, and household members) from 8:00 am until 4:00 pm Monday to Friday, **only through the following [booking system](#)**.

There will be **no walk-in** immunizations. Vaccines will be administered to those who reserved their appointments through the booking system.

Those who already received their first dose will receive an SMS from the **COVAX platform** for their **second dose** appointment.
