

CAMPAIGN UPDATES

September 5, 2021

Dear AUB Community,

This week the “AUBe Vaccinated Campaign” administered **1,084 doses** for the sole AUB community, reaching a total of **27,277 doses** (of which 17,978 first and 9,258 second doses).

For the following two weeks (September 6 to 17, 2021), the AUB Immunization Center will reopen **from 8:00 am until 4:00 pm**, Monday to Friday for the **extended community**, only through the following [booking system](#).

The extended community includes:

- Any AUB Alumni (AUB Alumni ID is required)
- Domestic workers (Residency Permit is required for foreign workers)
- Individuals with disabilities and special needs (above the age of 16)
- Taxi drivers and public transport drivers (Public Driving License is required)
- School students between the age of 16 and 18
- Adults of age 48 years and above

The AUB Immunization Center will continue the campaign for the **AUB faculty, staff, students, and their dependents** (spouses, children including those between the age of 12 and 15, and household members) **from 8:00 am until 4:00 pm** Monday to Friday, only through the following [booking system](#).

There will be no walk-in immunizations. Vaccines will be administered to those who reserved their appointments through the booking system.

Those who already received their first dose will receive an SMS from the immunization center for their second dose appointment.
