

CAMPAIGN UPDATES

August 1, 2021

Dear AUB Community,

Last week, the AUB Immunization Center administered **969** new doses (+14% from the previous week), totaling **13,391 doses**, 8,802 first, and 4,589 second doses. The campaign is on track, with an estimated proportion of fully vaccinated staff reaching 48%, faculty 35%, and students 20%.

As the Ministry of Public Health will provide an increased number of vaccines, the Vaccination Working Group has decided to increase capacity during the upcoming weeks to speed up the vaccination drive.

From next week onwards, the vaccination process will be managed **exclusively through a new booking system** (see instructions below), which will be distributed on a first-booked, first-served basis.

Who is eligible to take the vaccine?

The vaccination drive is still open to all **unvaccinated AUB faculty, staff, and students** who need to take their **first** or their **second dose**.

Soon we will open the vaccination drive to faculty and staff dependents.

When?

The AUB Vaccination days will happen as follows:

- **1st Week of August:** Monday Aug 2, Tuesday Aug 3, Thursday Aug 5 – 11 am – 7:00 pm
- **2nd Week of August:** Monday Aug 9, Tuesday Aug 10, Wednesday Aug 11, Thursday Aug 12 – 11:00 am – 7:00 pm
