

# Message from the Medical Center Director

January 20, 2023

Dear All,

AUBMC will be providing the PFIZER-BIONTECH COVID-19 bivalent vaccine to the AUB community and the public for free based on the recommendations of the Ministry of Public Health.

This vaccine is authorized for use in individuals who are 12 years of age and older as a single booster dose administered at least 2 months after either:

- The completion of a primary vaccination with any authorized or approved monovalent COVID-19 vaccine, or
- The receipt of the most recent booster dose with any authorized or approved monovalent COVID-19 vaccine.

Vaccines will be administered in the University Health Services (Sawwaf building, second floor, medication room), starting Monday, January 23, 2023, **by appointment only** as follows:

- Mondays, Tuesdays, Thursdays, and Fridays between 1:00 p.m. and 4:00 p.m.
- Wednesdays between 2:00 p.m. and 4:00 p.m.

To schedule your appointment, please use the following link: [booster booking](#).

Please make sure to bring with you a copy of your COVID vaccination card (soft or hardcopy) as well as a copy of your ID, passport or driving license.

Regards,

**Joseph G. Otayek**  
Medical Center Director  
American University of Beirut Medical Center
