

CAMPAIGN UPDATES

July 22, 2021

Dear AUB Community,

This is the fifth “**AUBe Vaccinated**” campaign email update. The campaign is progressing steadily: with the **2,000** doses administered last week, we reached a total of **8,700 doses, of which 6,850 first and 1,850 second dose.**

What’s going to happen this week?

This week, vaccination will be limited to those who received their first dose before June 25. **NO** first dose vaccination is planned for this week.

If you received your first dose before June 25 and did not receive your second dose yet, you will receive an SMS message to visit **AUBMC Vaccination Center – ACC Building** today Thursday **July 22**, or tomorrow Friday **July 23**, between **4:00 and 7:30 pm**. On arrival to the vaccination center, be ready to show the following information:

- A valid **identification document** (driving license, passport, identity card, residency permit)
- Valid **AUB ID** for faculty, staff, and students
- The text message indicating your **registration on the COVAX platform**
- The second dose invitation SMS message received from AUBMC

The Vaccination Working Group successfully designed a booking system for first and second doses that will reduce the waiting times and the queues. The booking system will be launched next week.

AUBe Vaccinated: fighting COVID together

- **AUBe Vaccinated**: The number of COVID-19 cases has started to increase again; consider taking the Pfizer-BioNTech vaccine as soon as possible. The earlier you take the vaccine, the better you can protect yourself, your University, and your loved ones. Pfizer vaccine is safe and reduces the risk of suffering from severe consequences of the virus, and it’s effective also against the Delta variants.
- **Register for the vaccine**: If you have not already done so, register on the COVAX MOPH platform (<https://covax.moph.gov.lb/impactmobile/vaccine>).
- **Fill the campaign Survey**: So far **5,530** members of the AUB community have already completed the “AUB Covid-19 Vaccination Campaign Survey”, which is also available in Arabic: <https://forms.office.com/r/gkw8ajQK6s>
