

CAMPAIGN UPDATES

July 25, 2022

Dear AUB Community,

The AUBe Vaccinated Campaign is now providing **Pfizer BioNTech Vaccine** primary series (**first and second dose**) for **anyone aged 5 years and above**, through **walk-in** (ID, passport, or driving license is required) as well as booster shots (**third and fourth dose**) for **anyone aged 12 years and above**, also through **walk-in** (ID, passport, or driving license is required).

We would like to remind our faculty, staff, and students of the importance of obtaining the third dose (at least 4 months after the second shot).

The AUBMC Immunization Center is open from 8:00 am until 2:00 pm, Monday to Friday (if not an official holiday) in AUBMC Halim and Aida Daniel Academic and Clinical Center (ACC).

Even if you had recently contracted COVID-19, you can get the booster when you recover from the acute illness (if symptoms were present) and criteria to discontinue isolation have been met.

For those who received their booster shots, please send your updated vaccination certificate to vaxwg@aub.edu.lb.

Stay safe,

Vaccination Working Group
