

**AMERICAN UNIVERSITY OF BEIRUT  
FACULTY OF ARTS AND SCIENCES  
DEPARTMENT OF EDUCATION**

**INTERESTED IN A MASTER OF ARTS IN EDUCATION- SCIENCE  
EDUCATION?**

**PREREQUISITES**

Students may pursue their studies toward the MA in education with a concentration in science education provided they meet the department and University requirements for admission to graduate work. The Department prerequisites include a major in science (biology, chemistry, geology, or physics), or 24 credits of science courses at the level of 200 and above plus a teaching diploma in science education or an equivalent professional certification. However, at the discretion of the department, students may be exempt from all or part of the teaching diploma requirement based on professional experience and/or previously completed graduate coursework. In case of deficiencies in undergraduate preparation a student may be required to complete other prerequisite courses, such as courses in subject matter, before full admission to the program.
